## From the Principal's desk

Dear Parents, Carers and Hill Top Community members,

I was pleased to be able to talk to our P&C last Thursday and a number of parents on Friday about my vision for the school in 2014. As we approach the later part of the school year, I am looking forward to finalising student end of year reports and surveying the community about what we can do at our school to improve in the coming year.

At the P&C meeting, I made time to talk about recent events including the fires so that there was a time to talk about whole school practices we can refine together.

I would like to take this opportunity to thank Mrs Gee and her team of volunteers parents, students and staff for hosting our Year 6 Fair last week. Students have reported that the entire fair was fun beyond expectations. Overwhelmingly they reported to me that the haunted house was the best fun to be had on the day. Tristan said he went in there 5 times using almost all his helping hands tickets!

In 2014, I look forward to working with the P&C to help organise a similar day around the middle of the year.

On a different note, I would like to let parents know that I have taken an active interest in the online communications between a number of students in our school. Responsible and respectful use of the internet when communicating between students is what we expect at HTPS.

To this end, I have sought advice from the Department of Education about cyber safety and I am in the process of arranging a time for local police to talk to all our senior students before the end of the year about internet usage and acceptable usage of social media. It is my intention to invite parents to a session with the police in the coming month as well.

Yours sincerely,

Mark Gardiner.

The events tab in your skoolbag app now contains up to date calendar entries for our school. Please check the calendar regularly for updates on what is happening at our school.

## Year 6 Fair

Firstly we would like to thank everyone who attended the Year 6 Fair last Friday. It was a fabulous day and the behaviour of all students is to be commended. Well done Year 6 on your excellent organisation and to their Year 5 helpers, well done! Thank you also to the many parents who helped run stalls on the day and to those Year 6 parents who sourced donations for the Silent Auction, Chocolate Wheel etc. Year 6 will soon decide what gift they will purchase for the school from the funds raised.

### Silent Auction

On Monday you should have received a list with all of the Silent Auction items and the current bids. The Silent Auction will remain open until Friday 22<sup>nd</sup> November and you will find an updated list with this newsletter. Please note the starting bid for each item. This is the minimum bid amount based on the value of the item. Bids can be made by writing them into the books in the Front Office or by sending in the bidding slip. Items can be viewed in the 5/6 rooms each afternoon except Wednesday.

Kind regards  
Mr Egan and Mrs Gee

# YEAR 6 FAIR 2013

The Year 6 Fair was held on the 8<sup>th</sup> November. There were stacks of different stalls like crazy hair, sponge throw, nail painting, face painting, obstacle course, splat the rat, haunted house, white elephant and heaps more. I was running the stall hair spray and I

had lots of fun. I went in the haunted house, it was super dark and it was rather scary. The different food and drinks were great and delicious. I really enjoyed the whole fair and the weather was great, but very hot!

By Violet

Last Friday we had our Year 6 Fair. As soon as we got to school we had to start to set up. Kaleb, Bailey, Seamus and I were doing the sponge throw. Our stall was very popular because it was very hot. We made lots of money and it was very fun! The whole day was great! My favourite stall was the obstacle course, it was heaps of fun. So were the soccer goals! I think the whole day was a great success.

By Bradley

On the 8<sup>th</sup> November at 11:10am the Year 6 Fair began. All of the students were excited to see all of the stalls. All of the stalls were overloaded with happy faces and excited minds. Lots of children came to face painting, crazy hair, obstacle course and haunted house. Some parents and ex-students helped out with stalls so the Year 5s and 6s could enjoy the Fair.
